ACT/019/009

Dear John:

Tentative approval was granted for the Cactus Rat Mine on
August 14, 1978.

In order for final approval to be given to the Mining and Reclamation
Plan, a contract for the reclamation surety must be entered with the
Board. Upon receipt of the above mentioned contract, final approval will
be issued.

Enclosed is a contract form for your convenience.

Sincerely,

MARY ANN WRIGHT
